OUTCOME of the Activity with respect to mission vision of the institute and or academics:

To overcome the COVID-19 pandemic situation, there was need of Online portal to conduct online test examination as well as for submission of assignments. The students of computer science department were guided to develop such online portal so that test and submission of assignments can be undertaken in online mode.

The portal contains a separate login for Teacher and Student. Students have access to submit their assignment and also appear for Online Test. The portal has facility of auto submitting the test immediately if student move on another tab. Teachers can create Assignment, Test, Question Bank and Student Report. PAPERLESS Data Maintenance is possible due to this portal.

COLLABORATION FOR ACADEMIC AND CO-CURRICULAR ACTIVITIES

Dharampeth Education Society's Dharampeth M. P. Deo Memorial Science College, Nagpur, Shri Santaji Shikshan Vikas Sanstha's Santaji Mahavidyalaya, Nagpur, Gondia Education Society's J. M. Patel Arts, Commerce & Science College, Bhandara, Satimata Shikshan Sanstha's Dr. M. K. Umathe Arts & Commerce College, Nagpur, Bar. Sheshrao Wankhede 56th Birthday Foundation's Bar. Sheshrao Wankhede College of Arts & Commerce, Khaparkheda, and Stree Shikshan Prasarak Mandal's Mahila Mahavidyalaya, Nagpur, strongly believe that collaboration and co-operation will promote better utilization of human resources and provide each of them with enhanced opportunities to do good for the Teaching and Student community. This linkage will formally and jointly be undertaken from the academic session 2020-21 and shall be for a period of 3 Years from the signing of this document.

Background

The Five colleges are affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, and follow the syllabi prescribed by the University for the different UG and PG programmes conducted by them.

Academic collaborations play an important role in the progress and development of any Institution. This is true for Higher Education Institutions also. In view of the changes taking place in the field of Higher Education, it is only natural for HEIs to collaborate with Institutions that can strengthen their academic offerings, co-curricular activities and research. It is in the spirit of academic co-operation that *Dharampeth Education Society's Dharampeth M. P. Deo Memorial Science College, Nagpur, Shri Santaji Shikshan Vikas Sanstha's Santaji Mahavidyalaya, Nagpur, Gondia Education Society's J. M. Patel Arts, Commerce & Science College, Bhandara, Satimata Shikshan Sanstha's Dr. M. K. Umathe Arts & Commerce College, Nagpur, Bar. Sheshrao Wankhede 56th Birthday Foundation's Bar. Sheshrao Wankhede College of Arts &*

Commerce, Khaparkheda, and Stree Shikshan Prasarak Mandal's Mahila Mahavidyalaya, Nagpur come together to ink this *memorandum of understanding*.

Scope

This MoU/linkage will facilitate the following ONLINE/OFFLINE activities :

- Academic activities for the UG/PG students including Lectures and Practice Tests/Exams
- Collaboration in Co-curricular and Extra-curricular activities
- Organisation of **Training Programmes/Conferences/Seminars/Workshops** for the Faculty/Staff
- Forming a cluster with other Institution(s) for Academic ventures

Reporting

It is mutually decided that the evaluation and effectiveness of the agreement will be conducted jointly under the initiative of the IQAC Co-ordinators & Principals of the Five colleges. Record of the activities will be kept individually by the IQAC/Department of each college.

Funding

It is specified that this linkage is not a commitment of funds. The financial aspects, if any, of any activity will be decided jointly. Sharing of infrastructure, sharing of expertise for academics will not have any financial commitments

Duration

This MoU/linkage will initially be for a period of 3 years from the day of signing of this agreement/document. On mutual agreement, the SIX Institutions shall be free to add other Institutions in their Collaborative Venture(s). This linkage shall remain in effect until modified or terminated by any one of the partner Institutions or all the partnering Institutions by mutual consent. The modification/termination shall be communicated to each other by the Head(s) of the Institution. *In case, the Institutions decide to terminate the MoU/Linkage before the agreed period, they shall ensure that all activities in progress are allowed to complete successfully.*

Arbitration

In case of any dispute arising in any aspect of the academic co-operation, Principals of the ~~17~~ institutions shall jointly resolve the dispute(s) in the spirit of mutual respect and shared responsibility.

ABSTRACT

This study evaluates concentrations of essential elements (Mg, N, S, P, Ca, Zn, Fe, K, Organic carbon, C/N ratio) for plants growth present in the verm-cast generated from flower waste and leaf waste. The flower waste from body plastic and leaf waste from college were used. Verm-cast generated from flower and leaf waste analyzed for the comparative study of different trace elements in cast generated from flower and leaf waste using IN and APCA method. One of all the essential elements N, the concentration for plants was found to have concentration in cast generated from flower waste (34.6mg/L) than in leaf waste cast (66.16 mg/L) while phosphorus (108.3mg/L) and sulfur (3.8mg/L) in the highest concentration in leaf waste cast than the flower waste cast (17.0mg/L, 3.8mg/L, 3.8mg/L, 6.0mg/L). This implies cast generated from flower waste and leaf waste separately will be beneficial in increasing deficiency of particular essential elements in plants.

OUTCOME of the Activity with respect to mission vision of the institute and or academics:

To overcome the COVID-19 pandemic situation, there was need of Online portal to conduct online test examination as well as for submission of assignments. The students of computer science department were guided to develop such online portal so that test and submission of assignments can be undertaken in online mode.

The portal contains a separate login for Teacher and Student. Students have access to submit their assignment and also appear for Online Test. The portal has facility of auto submitting the test immediately if student move on another tab. Teachers can create Assignment, Test, Question Bank and Student Report. PAPERLESS Data Maintenance is possible due to this portal.

ACHIEVEMENT DURING PANDEMIC

The world around us is changing rapidly. This experience was never felt so intensely than it is being felt in this pandemic times. Specially for college going and school going children it is predicted that this pandemic will prove complete turning point in their lives. Teaching methods and educational managements are experiencing tremendous turmoil leading to many changes and modifications in education systems. Educational institutions are facing many challenges in imparting right education to their students. But as Swami Vivekananda rightly said, “When you face difficult times know that challenges are not sent to destroy you. They are sent to promote, increase and strengthen you.”.

Taking this quote as a inspiration Dharampeth Science M.P. Deo memorial college, Ambazari is focused on developing entrepreneurship skills in their students during this corona lockdown period. Through various skill development

certificate courses college is continuously inspiring and developing students for self employment and entrepreneurship skills. All these courses have affiliation of Rashtrasant Tukadoji Maharaj Nagpur University.

Like all other courses “Certificate course in Jewellery Design and Making” which is conducted by college in collaboration with “Raghav Creations” is getting overwhelming response from students. Jewellery is very close to the heart of every woman. You cannot step out of your home now. But if you can create your favourite design at your home by your own then who doesn't want it? The USP of this course is student are getting raw material and tools home delivered by college. Online practical methodical professional coaching is enabling students to create various types of imitation jewellery designs at their home only.

Besides making and designing students are getting trained in Budgeting, Pricing,

Principal
Dharampeth M.P. Deo Memorial
Science College, Nagpur.

Packaging as well as Marketing of their products on online as well as offline platforms. Students are enjoying their work as they are getting good response in market for their designs which is motivating in this adverse situation.

Vaishnavi says, "Making Jewellery is a very satisfying experience for a designer and artist in me. Specially when all other colleges are focusing on only online theory based classes; this skilled based course was lot of fun. Before joining the course I was just thinking of making my own jewellery and make my friends jealous but after completion of the course I am seriously thinking of taking it as carrier option." Vaishavi's designs are getting good response among her friends. She is planning to take her designing passion further for setting up her own jewellery workshop. College is committed to help her in all possible ways in fullfilling her dream.

While Renuka says, " We get everything necessary for jewellery making home delivered which made it really easy for us to complete the course. Quality of all the raw material was very good in such a cheap rate. and the staff was very helping and motivating. I am very much thankful to college for giving us this opportunity.

According to Sushmita, "Staff was skillful, sensible and very responsible in imparting skills among students. Sushmita is also

thinking of selling her jewellery on online platform.

Riya is super excited as all of her pieces which she created at course got sold through her Instagram handler. She enjoyed making necklaces among other jewellery pieces. She says, "The staff is amazing and helpful. We could call them anytime and they were available for us 24/7. The material was on our doorstep without any problem. Most importantly the delivery guy was wearing mask and he sanitized this hands before giving the parcel to me. Safer precautions were taken.

All this has become possible due to the vision and guidance of Principle Dr. Akhilesh Peshve sir and dedicated staff of college including Course Co-ordinator and HOD Home science detp Mrs. Manju Deshpande Madam, Course director Dr. Mrs Shraddha Deshpande madam and Instructor and trainer Mrs. Kalyani Hinganikar. College is committed to move strongly further in this direction for the bright future of our young ones.

Sheshrao Wankhede College of Arts & Commerce, Khaparkheda, and Stree Shikshan Prasarak Mandal's Mahila Mahavidyalaya, Nagpur, strongly believe that collaboration and co-operation will promote better utilization of human resources and provide each of them with enhanced opportunities to do good for the Teaching and Student community. This linkage will formally and jointly be undertaken from the academic session 2020-21 and shall be for a period of 3 Years from the signing of this document.

Background

The Five colleges are affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, and follow the syllabi prescribed by the University for the different UG and PG programmes conducted by them.

Academic collaborations play an important role in the progress and development of any Institution. This is true for Higher Education Institutions also. In view of the changes taking place in the field of Higher Education, it is only natural for HEIs to collaborate with Institutions that can strengthen their academic offerings, co-curricular activities and research. It is in the spirit of academic co-operation that *Dharampeth Education Society's Dharampeth M. P. Deo Memorial Science College, Nagpur, Shri Santaji Shikshan Vikas Sanstha's Santaji Mahavidyalaya, Nagpur, Gondia Education Society's J. M. Patel Arts, Commerce & Science College, Bhandara, Satimata Shikshan Sanstha's Dr. M. K. Umathe Arts & Commerce College, Nagpur, Bar. Sheshrao Wankhede 56th Birthday Foundation's Bar. Sheshrao Wankhede College of Arts &*

Commerce, Khaparkheda, and Stree Shikshan Prasarak Mandal's Mahila Mahavidyalaya, Nagpur come together to ink this *memorandum of understanding*.

Scope

This MoU/linkage will facilitate the following ONLINE/OFFLINE activities :

- Academic activities for the UG/PG students including Lectures and Practice Tests/Exams
- Collaboration in Co-curricular and Extra-curricular activities
- Organisation of **Training Programmes/Conferences/Seminars/Workshops** for the Faculty/Staff
- Forming a cluster with other Institution(s) for Academic ventures

Reporting

It is mutually decided that the evaluation and effectiveness of the agreement will be conducted jointly under the initiative of the IQAC Co-ordinators & Principals of the Five colleges. Record of the activities will be kept individually by the IQAC/Department of each college.

Funding

It is specified that this linkage is not a commitment of funds. The financial aspects, if any, of any activity will be decided jointly. Sharing of infrastructure, sharing of expertise for academics will not have any financial commitments

Duration

This MoU/linkage will initially be for a period of 3 years from the day of signing of this agreement/document. On mutual agreement, the SIX Institutions shall be free to add other Institutions in their Collaborative Venture(s). This linkage shall remain in effect until modified or terminated by any one of the partner Institutions or all the partnering Institutions by mutual consent. The modification/termination shall be communicated to each other by the Head(s) of the Institution. *In case, the Institutions decide to terminate the MoU/Linkage before the agreed period, they shall ensure that all activities in progress are allowed to complete successfully.*

Arbitration

In case of any dispute arising in any aspect of the academic co-operation, Principals of the ~~17~~ institutions shall jointly resolve the dispute(s) in the spirit of mutual respect and shared responsibility.

RTMNU Nagpur

Nagpur University was established on 4th August, 1923 with six affiliated colleges and 927 students. During 1947, the number of students increased to about 9000 accompanied by the improvement and diversification of curricula and expansion in the range of subjects. It was in 1958 that some new Departments in Arts and Social Science faculties were opened; the major expansion, however, came in 1963 when several science and other teaching Departments were started. The Departments were shifted to spacious buildings in the main campus in 1972-73. During ninety years of its existence, the University has progressed satisfactorily and doing well in the midst of constraints of different sorts. This has been possible because of futuristic vision about higher education of the personalities who adored the chair of Vice-Chancellor of this University. Their determination and dedication helped a lot in progress of this University.

Presently University comprises of Thirty-nine Postgraduate Teaching Departments (PGTD), three Constituent Colleges/Institutions (Law college, Laxminarayan Institute of Technology, and College of Education). Eight hundred forty-two colleges are affiliated The Department and conducted college/Institution buildings are spread over in 11 campuses with an overall area of 318 acres. Following programs under various faculties are run through the above-mentioned PGTD, Conducted College and Affiliated Colleges.

Department of Physics

The Department came into existence in 1963 along with other Science Departments for imparting post-graduate education and for promoting research. Research activities of the Department are mostly focussed on materials science research and have grown steadfastly since its inception, expanding into areas of functional materials for Fuel Cell, batteries, Sensors and Energy harvesting materials and So on. Department is actively involved in R & D as well as consultancy project and has also collaborations with several R & D organization in the India namely UGC-DAE-CSR, Indore; RRCAT, Indore; NEERI, Nagpur; IISER, Pune etc as well as outside the India with Penn State University, State College, USA; Institute of Energy and Climate change, Forchunszentrum Julich GMBH, Germany. The laboratories are adequately equipped with State-of-Art facilities. Infrastructure comprises of wide variety of structural and Electric and dielectric Characterization for AC/DC measurement technique with high temperature characterization capability. Computational facility workstations with advance configurations are also available.

NSFD

“National Seminar on Ferroelectrics & Dielectrics” (NSFD-2021) biennial Dielectrics Conference, initiated by the Dielectrics and Ferroelectrics group in India in 1980; has successfully completed 40 years of journey since its humble beginning at Indian Institute of technology Delhi. Dielectrics class of materials also referred as polar materials, include Piezo, pyro and ferroelectrics materials, play key role in modern technology, finding its applications in data storage, energy harvesters and wireless communications. This symposium will address developments in materials for a wide range of related technologies. It will bring together expert from diverse discipline and broadly cover materials and device related in the field. Special tutorial sessions will be arranged for young researchers and initiators to provide core research information. The Topics of Seminar is broadly classified into five areas.

I. Fundamentals of dielectrics, ferroelectrics & related materials

- Relaxor and birelaxor ferroelectrics/dielectrics and disorder effects
- Ferroelectric tunneling junctions, ferroelectric and magnetoresistive barriers.
- Domain and domain wall engineering (functional domain walls)
- Ionic and electronic phenomena in ferroelectrics
- Surface and interface tailoring and basic emergent phenomena Topological states
- Topological states
- Multiferroics & magnetoelectrics, magnetoresistive phenomenon

II. Materials design and processing

- Bulk materials, Thin films, heterostructures, composite, nanofibers and multilayers
- Textured materials
- Film processing technologies (preparation, characterization)
- Patterning methods (net-shape forming, microfabrication)
- Biomaterials and Lead-free systems
- Hybrid materials
- Low-energy sintering

III. Characterization of polar materials

- Fundamental phenomena probed by scattering techniques (X-ray and neutron scattering)
- Electron microscopy (surface and interface phenomena, in-situ studies of domain switching)
- Raman and optical spectroscopies
- Local phenomena by scanning probe microscopic techniques
- Optical near-field imaging
- Spectroscopic probing of electrochemical phenomena
- Electrical and electromechanical characterization

IV. Applications of ferroelectrics and dielectrics

- Dielectrics, Ferroelectrics and antiferroelectrics for energy applications
- Medical ultrasound transducers, ultrasound actuators, and sensors for harsh environments, sound absorption materials
- Ferroelectric memory materials and devices
- Piezoelectricity (high-performance and lead-free piezoelectrics, piezoelectric polymers, MEMS and other integrated piezo-devices, sensors and actuators)
- Pyroelectric materials and devices
- Optical phenomena tuning: photonic band-gaps, luminescence and phosphoresces materials
- Biomaterials (hydroxyapatite, polypeptides, etc.)
- Relaxor dielectrics, ferroelectrics and smart materials

V. Theoretical modelling in dielectrics

- Phenomenological Analysis of dielectrics and ferroelectrics
- Nonliarity and scaling behaviour in non-linear dielectrics
- First principle and Ab initio studies in dielectrics, ferroelectrics, piezoelectrics and multiferroics.

Abstract submission

Authors are requested to submit their abstract in the provided template only through online portal of abstract submission available on the website; www.nsf2021.org latest by Dec 1, 2020.

Publication

The full length manuscripts of the presented papers will be published in Ferroelectrics journal after peer review.

THEME AND EXPECTED OUTCOMES OF THE WORKSHOP

“The real source of wealth and capital in this new era is not material things...it is the human mind, the human imagination, and our faith in the future.”

– Steve Forbes

We all know that in the 21st century, the cornerstones of the economy would be ideas, innovation and social empowerment that would drive the engine of growth and steer the country towards prosperity. This makes the theme of the workshop, “ Innovation, Social Entrepreneurship and IPR” more relevant today than it ever was before. The government has also introduced a number of reforms to fan the spirit of enterprise of the Indian youth and now the onus lies on Higher Education Institutions (HEIs) to provide a platform for the entrepreneurial aspirations of the young minds of the country. Learning cannot be divorced from innovation and we cannot expect to produce different results if we continue to do what we did yesterday. A paradigm shift is required in the field of higher education where the focus should be on producing more job creators rather than just job seekers, more leaders rather than mere followers. As is often said, in order to be a part of the solution, one should also be able to engage with the problems and address them. We cannot turn a blind eye to the fact that despite the demographic dividend that India enjoys, the vast potential of our youth’s entrepreneurial spirit and innovative fervor still remains untapped.

If the arena of innovation still remains barren in India, it’s not due to dearth of ideas but due to the fact that the research culture and innovation ecosystem in our Institutions still leave a lot of room for improvement. Even if a student has an idea with him, he doesn’t get the required guidance, support and mentorship from his teachers to convert his idea into a business proposition. This is because the teacher is as uninitiated and clueless as the student about the strategies and the business design required to take the idea forward and convert it into a “manufacturable and marketable form”. Thus, Many a brilliant idea with a potential to change our lives could never see the light of day. Who knows how many Steve Jobs and Bill Gates we could have produced if the idea could have been taken to its logical end? If we look around us, we can see how small ideas have changed the way we travel, the way we shop, the way we order food, the way we get our medicines etc. Many of these ideas have given rise to social enterprises which have touched the lives of our rural folk. The future eventually belongs to those who hold control over Intellectual Property. In an attempt to give a proper platform to the ideas of the young minds of the Region, Raman Science Centre, Nagpur, Vigyan Bharati, and Vidarbha Industries Association (VIA) have started the project Nutan Avishkar Vichar in Nagpur (NAVIN). Happy to share with you that some ideas of the students of the region are being funded and incubated by NAVIN. Hopefully, some of these end processes and products will also get patented and converted into start-ups.

Winston Churchill once said, “Never let a good crisis go to waste”. We can see the dark clouds looming in these unprecedented times but the only way to make the best use of the silver that lines these clouds is through the power of innovation. This National Workshop (WEBINAR) aims at addressing some of these issues, and especially the important role the Teachers can play in mentoring and encouraging our students.

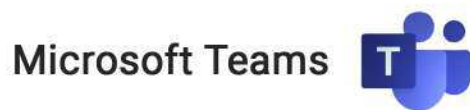

We hope that this small initiative from us will trigger someone’s imagination culminating it into a very constructive contribution to our society at large. As Steve Jobs so aptly puts it, “Innovation has nothing to do with how many R&D dollars you have...it’s about the people you have, how you’re led and how much you get it.”

Who Should Attend?

Activity Report

Celebrating the Golden Journey of successful 50 years
Gearing up for the future.....!!!

Date: 30/12/2019

On the glorious Occasion of Golden Jubilee celebration of the Institute, the President of Dharampeth Education Society announced Golden Jubilee Science Lecture Series as an innovative way to apprise students with updates in Science, Current Technology and Research by providing them an opening to meet with extremely renowned personalities from science field.

The maiden lecture and interface of the series on “Science and Spirituality” was with **Padma Bhushan Dr. Shri Vijay Bhatkar** (Padma Shree and Maharashtra Bhushan Awardee), Hon’ble, Chancellor, Nalanda University, Rajgir, Bihar, on **22nd December, 2019**

The inauguration of the lecture series was at the hands of Honourable Padma Bhushan Dr. Shri Vijay Bhatkar. The dais was graced by Adv. Ulhas Aurangabadkar, President, Dharampeth Education Society, Shri. Ratnakar Kekatpure, Secretary, DES, Adv. Sanjeev Deshpande, Vice-President DES, Dr. Akhilesh Peshwe, Principal.

All the distinguished members of Dharampeth Education Society as well as retired Principals, retired Staff, Special Invitees, Stakeholders, Alumni of the college, Current staff members and students were present for the inaugural function in large numbers

The programme commenced with the lighting of the lamp in front of the idol of Ma Sarasvati. The introductory remarks were given by Dr. Akhilesh Peshwe, Principal of the Institute.

In his speech Dr. Bhatkar enlighten the audience about the development of super-computer and its use to the nation. Also, he pointed out the various electronic gadgets as electronic laboratories with us especially mobile phones. As, the world is on fingertips because of mobiles in our pocket, we have to use it as an information tool in communication as well as innovations. Dr. Bhatkar talked on ancient knowledge and its use in future innovation for welfare of mankind. He also gave the idea of Avishkar Lab to the students for innovative projects and appealed students to develop and work on innovative ideas in the education.

We are very glad to mention that the same lecture later became part of the B.Sc. First year text book ‘Empowering Minds’ of R. T. M. Nagpur University, Nagpur.

II. GENERAL TERMS

- 2.1 (i) The First Party hereby agrees to release the Grant Amount up to a sum of Rs. (Not applicable) As per schedule III on successfully and satisfactory completion of the Project.;
- (ii) The Second Party further agrees to perform the Project as per the Project Proposal and shall comply with the said guidelines and amendments thereto, if any;
- (iii) The Second Party shall select students/participants in the Project in accordance with the student/participant eligibility criteria as detailed in Schedule II. It is however clarified that such selection of students/participants shall be as per Second Party's requirements and at its sole discretion thereto.
- (iv) The disbursements of the Grant Amount shall be made by the First Party as per the disbursement schedule provided in Schedule III of this MoU;

- (v) The disbursements shall be credited by the First Party into a separate/ designated bank account of the Second Party for grants disbursed under this MoU. All the related collection/remittance/other charges in relation to obtaining the Grant Amount will be borne by the Second Party;
- (vi) The First Party, in its own discretion, may reduce the Grant Amount, for each student/participant that withdraws from the Project and is not replaced by the Second Party, by average participant cost as detailed in Schedule III for the period that a place was unfilled. The First Party shall however be obliged to reimburse all amounts incurred by the Second Party in respect of such withdrawn (and not replaced) student. In addition, any excess amounts incurred by the Second Party in relation to the training for the incumbent student shall also be reimbursed by the First Party;
- (vii) The Second Party shall be severally liable to comply and fulfill all its obligations under this MoU;
- (viii) If the Second Party fails, omits or neglects to observe or perform or commits or allows to be committed a breach of any of the terms, conditions, provisions or stipulations of this MoU or in connection with any other Facility Agreements on its part to be observed and performed or in case of occurrence of any Material Adverse Effect ("Default"), then the First Party shall give written notice to Second Party to rectify the said default within a period of 30 days, failing which the First Party shall be entitled to initiate appropriate legal proceedings including termination along with damages, interests and expenses without prejudice to any other right or remedy which the First Party may have under this MoU or otherwise in law..
- (ix) The Second Party agrees that if as a result of review by the First Party or 'Project Monitor', it is of the opinion that the Second Party has not implemented/nor is likely to implement the Project within the Project Cost as provided in Schedule III and/or in accordance with the financing plan as per the Project Proposal, the First Party shall be entitled to terminate this MoU;
- (x) Notwithstanding termination of this MoU, the Second Party's obligations shall be limited only to complete the training to the enrolled students/participants of the Project as per the Project Proposal for which the First Party shall reimburse the accrued costs as per the terms and conditions of this MoU. It is further agreed that in the event of termination of the MOU, the Second Party shall not be under any obligation to continue enrolment of any new students/participants;
- (xi) The Second Party may apply and/or obtain any loan or further grant from any third party during the term of this MoU in respect of the Purpose/Project only with the prior written approval of First Party other than what has been approved in the Project Proposal;
- (xii) The Second Party shall submit all necessary and relevant documents as per the Project Proposal to the complete satisfaction of the First Party and shall submit a certificate within one month of the completion of the training to the students enrolled under the Project.

III. SECOND PARTY'S REPRESENTATIONS AND WARRANTIES

3.1 Second Party hereby makes the following representations, warranties and confirmations; and state that the same are true, correct, valid and subsisting in every respect as on the date of this MoU and shall remain true, correct, valid and subsisting in every respect as on the date of each disbursement by the First Party hereunder:-

Memorandum Of Understanding

Collaboration in One-day Intercollegiate Multidisciplinary Workshop on "Patenting"

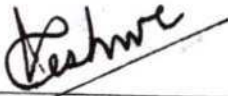

Patent or licence is an exclusive right granted by the government to the inventor for an invention which is new and an inventive solution to an existing technological problem. Patent rights are granted for limited periods of time in exchange for complete public disclosure of the invention. Patent excludes others from making, using, or selling a patented invention. This is an important aspect in Intellectual Property Rights (IPR). It's important for the academic community to learn more about who grants a patent; How can one apply for a patent; What are the procedures to apply for a patent; and many other important aspects of patenting with rapid changes in the intellectual domain, it is paramount for the professional in the field of academics to be familiar with various aspects of intellectual property rights. In view of the above facts, it has been decided to organize a "One-day Intercollegiate Multidisciplinary Workshop on patenting" under the aegis of Dharampeth M.P.Deo Memorial Science College, Nagpur, Dr. M.K.Umathe College, Nagpur, and Matru Sewa Sangh Institute of Social Work, Nagpur on dated 23rd April 2019. This Multidisciplinary Workshop is expected to bring into sharp focus the significance of patenting and its various procedures and formalities.

The above three organizations have therefore decided to work in collaboration for the success of the above stated Multidisciplinary intercollegiate Workshop.

Invitation

We take immense pleasure in inviting Principals, Directors, IQAC Coordinators, IQAC members and other stake holders of Higher Education Institutions and Universities from all over India to participate in the two day National Seminar on **"Measuring Outcomes, Good Documentation; Innovations and Best Practices"** on 24th & 25th February, 2019 for keeping up the tradition of continuous quality initiatives, organized by IQAC Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur in collaboration with IQAC's of Shri Ramdeobaba College of Engineering & Management, Nagpur, Dharampeth M.P. Deo Mem. Science College, Nagpur, Dr. M.K. Umathe College, Nagpur, Santaji Mahavidyalaya, Nagpur & Matru Sewa Sangh Institute of Social Work, Nagpur.

About the Seminar :

The establishment of the National Assessment and Accreditation Council (NAAC) in 1994 and its subsequent efforts through its continuous guidelines for quality enhancement and quality sustenance for Higher Education Institutions (HEI) and rigorous assessment and accreditation process brought about a positive change in the overall working & outlook of the HEI's. Institutions of Higher Education have become more organized in planning, implementation and expected outcomes of the programmes and activities they undertake.

Most of the HEI's have atleast once gone through NAAC's assessment and accreditation process. Thanks to NAAC, there is now a healthy competition going on amongst HEI's to outdo one another in quality enhancement and quality sustenance initiatives. With the introduction of new A & A methodology from July 17, it has now become imperative for HEI's to get even more organized and systemize the quality enhancement measures that they undertake and learn to think out of the box. The Data Validation and Verification (DVV) and the weightage it carries has made it essential for HEI's to properly document the programmes and activities they plan and implement.

In order to score well in both the Qualitative and Quantitative Metrics the HEI's need to meticulously plan and properly implement their quality initiatives with clear outcomes.

Delegation Fee : 600/- (only for the Participants from affiliated Colleges)

Aims & Objectives :

The main objective of this seminar is to bring the minds from across the nation together in order to discuss and facilitate the participants about how to measure Programme Outcomes, Course Outcomes, Programme Specific Outcomes. The seminar also aims to facilitate good documentation required while submitting SSR. The seminar will also create larger awareness among all about Innovation and Best Practices and touch upon the core of the new assessment and accreditation process and how to cope with the challenges.
