OUTCOME of the Activity with respect to mission vision of the institute and or academics:

The Department of Physics organized a Guest Lecture cum hands-on training for students about the Pneumatics and Gauge calibrations. Dr. Priyanka P. Khedkar, our **Alumni (2005-2007)** currently the owner of R. P. Khedkar Calibration and Testing Center, Nagpur visited the college and delivered an Invited talk on Calibration of Equipment. Dr. Priyanka Khedkar very well explained the Calibration of Equipment which are related to daily Practical problems & also talked about the forthcoming students-oriented challenges and the related solutions. This lecture has increased the curiosity in the minds of all students how to measure least count of any equipment and how to calibrate it. All students personally involved in the activity and asked many queries. Dr. Peshwe, the Principal of the college appreciated the department for organizing such lecture which fulfils the departmental vision. A formal vote of thanks was proposed by Dr. Gaurav Sukhdeve & program was compered by Dr. Anagha A. Pathak. The programme was appreciated by the students. In addition, Dr. Priyanka also invited applications from the needy students for a full-time job in her firm.

Title of the Activity: Career Opportunities in Statistics

On 16th January 2024, the Department of Statistics at Dharampeth M.P. Deo Memorial Science College organized a session on "Career Opportunities in Statistics" for B.Sc. Final Year students. The guest speaker was Miss Mallika Chendke, an alumna of the college. She holds an MBA and an M.Sc. in Statistics from MIT World Peace University, Pune, and a B.Sc. in Statistics from Dharampeth Science College, Nagpur.

Miss Chendke has significant experience in website formation and development. She has worked on various projects related to designing data-driven websites and implementing statistical models for web analytics.

During the session, she emphasized the importance of statistics in diverse fields such as medical diagnoses, clinical trials, and the corporate world. She also discussed the growing demand for data scientists and data analysts, highlighting the need for strong core knowledge in statistics to excel in these roles. Furthermore, she stressed the importance of using tools like Excel for data analysis, as it is an essential skill in managing and interpreting data across various industries.

Students participated actively, sharing the challenges they face while studying statistics. Miss Chendke provided practical solutions to help them overcome these difficulties.

The event was well-received by students, who appreciated the insights into career opportunities and the practical advice shared by the guest speaker.
