

DHARAMPETH M. P. DEO MEMORIAL SCIENCE COLLEGE NAGPUR

7.1.5: Green campus initiatives: Relevant Information

1. **Restricted Vehicle Access:** On campus, car access is limited to designated parking areas near the main entrance. However, individuals with physical disabilities are allowed to drive on campus.
2. **Promotion of Bicycles and Battery-Powered Vehicles:** To minimize car usage, we provide bicycles free of charge to all stakeholders commuting via Nagpur Metro. This initiative promotes an eco-friendly mode of transportation.
3. **Pedestrian-Friendly Walkways:** The campus features well-maintained walkways designed for pedestrian use, enhancing safety and accessibility.
4. **Ban on Single-Use Plastics:** In our efforts to foster an environmentally sustainable campus, we have instituted a ban on the use of single-use plastics.
5. **Tree Planting and Vegetation Growth:** The institution actively promotes tree planting each year to improve environmental quality. In addition to numerous trees planted across the campus, we maintain a vibrant botanical garden. We also encourage students and staff to participate in off-campus tree-planting events. As a tradition, we give plant saplings to guests and colleagues during special occasions.
